Correction to Bulletin No. B-01-07 (Hearing on Proposed Rule to Increase Assessments)

On March 26, 2001, we distributed Bulletin No. B-01-07 to advise you that we filed a form CR-102 concerning a proposed rule change to increase assessments and fees charged by the Division. The adoption date of the proposed rule was incorrectly stated as June 4, 2001. Please note that the adoption date in the published CR-102 is May 1, 2001.

In addition, in the second paragraph of the Bulletin, we noted that the hearing on the MBL rule will be May 1, 2001. The Bulletin should have stated that the hearing on the proposed rule to increase assessments and fees will be May 1, 2001.

We regret any inconvenience these errors may have caused.
