**Distribution of Division Opinions;**  
**List of Division Opinions**  
**Issued in 1999 and 2000**

As you are probably aware, the Division issues written opinions from time to time. We place the opinions on our web site, at [www.wa.gov/dfi/cu](http://www.wa.gov/dfi/cu), soon after they are issued.

The Division is happy to provide “redacted” copies of the opinions upon request. Please call or fax your request to Diane Moye at one of the numbers listed above.

In order to notify credit unions and other interested parties more generally about the issuance of our opinions, each January we will publish a Bulletin with a list of new opinions issued in the prior year.

For your convenience, a list of opinions issued in 1999 and 2000 follows.
