Skype Business for Member Business Loan Rulemaking Meetings

The Department of Financial Institutions has implemented Skype Business for video conferencing. Skype Business allows for more effective collaboration during business meetings by utilizing messaging and screen sharing. This will allow attendees to see real-time document changes as well as the ability to participate through verbal and/or messaging communication.

You are welcome to attend rulemaking meetings in person at Department of Financial Institutions' headquarters, 150 Israel Road, Tumwater, WA 98501. Please allow time to check-in with the front desk. You also have the option to join the meeting by Skype Business. Go to <http://www.dfi.wa.gov/rulemaking/member-business-loans> and click on the "Join Skype Meeting" link. To join the meeting by teleconference, dial 1-360-407-3812 and use conference ID # 690240.

You may send written comments about the rulemaking, including suggested amendments, at any time. All rule-making information (including but not limited to the meeting schedule, document drafts, meeting notices, summaries of meetings, written public comments, and audio of the official hearing) will be frequently updated and available on the DCU website: <http://www.dfi.wa.gov/rulemaking/member-business-loans>

The MBL rule-making meetings are tentatively scheduled as follows:

- Thursday, June 9, 2016 from 1:30 pm to 3:00 pm
