Make plans to attend NASCUS State System Summit
October 5-7 in Chicago, Illinois

NASCUS invites you to join the system's leaders to address the top challenges confronting state credit unions and regulators at the 2016 NASCUS State System Summit in Illinois.

The NASCUS Summit is the only opportunity for state credit union regulators, state credit union CEOs, senior managers and board members to come together to identify and to develop the solutions needed to preserve the state credit union system.

Confirmed speakers include Bruce Rauner, Governor of Illinois, U.S. Representative Randy Hultgren, and NCUA Board Chairman Rick Metsger, to name a few. A few of the topics that will be discussed are Preparing for the coming wave: FinTech, changing allowance account: adapting to CECL and Campaign 2016.

We hope you can join the Washington Division of Credit Unions, our peers from state regulatory agencies around the country and your fellow credit union executives for exciting educational workshops, insightful discussions as well as networking events geared specifically toward CEOs, state regulators and industry leaders!
