List of division opinions **Issued during the first half of 1997**

From time to time, the Division issues written opinions in response to questions about how a statute or rule should be applied to a particular factual situation. In order to make these opinions available generally to credit unions, we will publish a list of new opinions twice a year. The Division is happy to provide “redacted” copies of the actual opinions upon request. Enclosed is a list of opinions issued during the first half of 1997.

Please be aware that the opinions are limited to their facts; we may reach a different conclusion if presented with different facts or conditions.

Please call or fax your request to Tina Philippsen (of the Division office at the numbers above) if you would like a copy of an opinion from the enclosed list.
