Division to Provide Governor's Y2K Office With Names of CEOs As Year 2000 (Y2K) Contacts

The Governor's Y2K Office is developing an Internet web site that will include statements from state agencies pertinent to Y2K, along with references to other sources for information concerning Y2K-related topics.

The Y2K Office has asked us to provide the names, addresses and telephone numbers of state credit union staff who will act as contact on Y2K inquiries. The contact person may be called upon to field Y2K inquiries from a variety of sources, including members as well as the media.

Rather than ask credit unions for a list of Y2K contact persons, we have decided to provide the Y2K Office with the name/address/phone number of each credit union CEO, unless you notify us of a different contact person by January 11, 1999.

If you would like us to provide the Y2K Office with the name/address/phone number of a person other than the CEO as the Y2K contact person at your credit union, please complete and fax back the second page of this Bulletin by January 11, 1999. Our fax number is (360) 704-6991.
