Year 2000 Rollover Weekend Contact Numbers Y2K Bulletin # 16

It may be particularly important that the Division of Credit Unions be able to reach key individuals from your credit union over the weekend of December 31, 1999 through January 3, 2000.

Please take a few minutes to provide the contact numbers requested on the following form. If your credit union utilizes a telephone system that is not answered over the weekend and during non-business hours, please provide the alternative means of quickly contacting the key people at your credit union. The forms will be destroyed by March 6, 2000. Should an individual not have a particular method of communication, simply mark it N/A. The form should then be faxed to Mike Delimont at (360) 704-6990 by November 10, 1999.
