2014 NASCUS State System Summit
Make plans to attend NASCUS State System Summit
September 10-12 in Nashville, Tennessee

NASCUS invites you to join the system's leaders to address the top challenges confronting state credit unions and regulators at the 2014 NASCUS State System Summit in Tennessee.

The NASCUS Summit is the only opportunity for state credit union regulators, state credit union CEOs, senior managers and board members to come together to identify and to develop the solutions needed to preserve the state credit union system.

Confirmed speakers include Greg Gonzales, commissioner of the Tennessee Department of Financial Institutions Credit Union Division, Tennessee Credit Union League President and CEO Fred Robinson, and NCUA Chair Debbie Matz, to name a few. A few of the topics that will be discussed are cybersecurity, interest rate risk and patent trolls.

We hope you can join the Washington Division of Credit Unions, our peers from state regulatory agencies around the country and your fellow credit union executives for exciting educational workshops, insightful discussions as well as networking events geared specifically toward CEOs, state regulators and industry leaders!
